Re: LEEDS BUDDHIST VIHARA TRUST (Charity No. 1175406 / Company No. CE011885)

I have acted as the independent examiner for the Leeds Buddhist Vihara Trust.

I have examined the cash book alongside the related invoices and bank statements kept by the charity, I have also examined the payments and transfers as well as correspondence provided. I can confirm that after examination and clarifications provided, the accounts agree with the records and the correct format is being administered. I do not have any cause for concern to be reported at this time with regards to the accounts presented.

Please do not hesitate to contact me, should you require any further clarification.
